SALES OFFER OF THE MEDICAL PORTAL FOR MITOCHONDRIAL MEDICINE

Kontakt

AWARD

The medical portal www.mitochondriopathien.de received the **GERMAN MEDICAL AWARD 2021** in the category: social-medical commitment

In 2017, freelance investigative medical journalist Dagmar Schmidt-Neuhaus was also **nominated for the Bavarian Health and Care Award**.

In 2024, she received the **PR Agency of the Year award** for her publications on the largely unknown widespread disease ME/CFS (G93.3 Neurology): <https://www.mitochondriopathien.de/me/cfs>

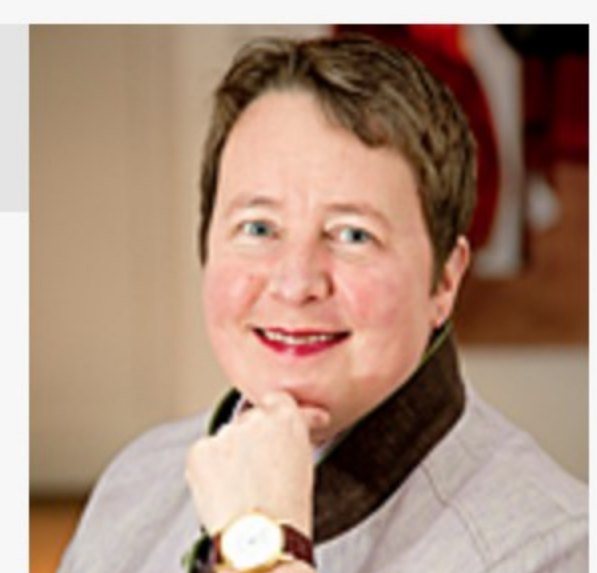

SALES OFFER MITOCHONDRIOPATHIEN.DE

Premium TYPO3 medical website for pharmaceuticals, clinics, specialists

The **complete information portal** on (acquired, i.e., secondary) mitochondrial diseases, diseases of the cell organelles (mitochondria, the powerhouses of the cells), is **for sale**. This **modern TYPO3 installation** is suitable for the pharmaceutical industry, alternative medicine, clinics in the process of being founded or relaunched, as well as medical care centers (MVZs) and physician groups.

Your advantage: Your new website can go live very quickly and cost-effectively, as the technical requirements are already in place, the CMS (open source) is fully functional, and content can be easily integrated by editors or the agency. The portal runs on the **TYPO3 enterprise content management system** on a cloud server with the following features (responsive, i.e., also for mobile devices):

1. Dynamic sitemap

Dagmar Schmidt-Neuhaus, Freelance investigative journalist

2. Full-text search
3. Changing, attractive header images and footer with background image (purchased image licenses)
4. SEO
5. News with individual news items and a news archive with keywords
6. Google sitemap.xml
7. Extensive medical texts with content images (purchased image licenses)
8. Rights management (user groups and users)
9. Physician listings (expandable), etc.

and the following scope: **48 pages, 19 news items, approximately 1,000 keywords**

Furthermore, various premium domains such as **mitochondriopathie.at mitochondrienmedizin.de mitochondrienforschung.de** and many more are available for sale. and also in English, such as **mitochondrial-disorder.com** and many more in English.

Please send us your inquiry by [email](#). Feel free to call me if you have any further questions.
